

Mary H. Matula Elementary School

February 2, 2023

Dolphins' Cove

6th Grade Elective Courses

All 5th grade students/parents should have received an email on Monday, January 23rd regarding elective courses for 6th grade. This survey asked parents to enter a choice of band, strings, chorus, or related arts. **The survey will be open for two weeks and will close on Friday, February 3rd.** Once the results have been collected, the Office of Accountability will upload course selections to Synergy. Students who do not make a selection will be placed in related arts.

PTO Spirit Night at Chipotle

Take a night off from cooking dinner, and join your Matula friends at Chipotle in La Plata! On Monday, February 6th, Matula's PTO will be hosting a spirit night from 5:00-9:00 PM. Don't forget to bring the attached flyer so you can help earn funds for our school!

Help Spread the LOVE!

As Valentine's Day approaches, help us spread the LOVE to our local healthcare workers. Snacks, drinks and valentines will be collected through Thursday, February 9. Students are also encouraged to make generic valentine cards. These items will be distributed to the staff at Charles Regional Medical Center on Valentine's Day.

Thank you for helping us make Valentine's Day a bit brighter for those in our community who take care of us!

Thank you to our PTO for helping to spread the love to our staff - please see the attached flyer!

Dress for the Weather

As a reminder, all students go outside for recess when the temperature is above 32 degrees. Our students look forward to their daily outdoor time, and we want to ensure that they are dressed for the weather.

Water Bottles at School

Students are encouraged to bring refillable water bottles with lids to school. We have water bottle filling stations throughout the building that are available for student use. Students are not permitted to carry cups without lids as this often results in spills in the hallways and classrooms.

Calendar of Events
