Birthdays/Celebrations at School

As included in Matula's Thursday folder information, when bringing outside food items to school for a student's birthday or as part of a classroom celebration, bring store bought, individually packaged treats. Treats that are homemade or not individually packaged with nutritional labels will not be served to students.

Each grade level distributes birthday treats in the cafeteria during lunches. Since lunch shifts are only 30 minutes in length, we would appreciate your help with the following:

- Make arrangements with your child's teacher ahead of time; and
- Arrive to school at the start of your child's lunch shift.

Additionally, teachers can only distribute party invitations at school if there is one for each student in the class.

Standard Response Protocols (SRP)

CCPS utilizes a Standard Response Protocol (SRP) which is based on the response to any given situation not on individual scenarios. Staff and students practice responses during the school year. A copy of the SRP is attached for your reference. We ask that all visitors exit the building along with the students and staff during drills.

Congratulations to our students in grades 3, 4 and 5 who earned Honor Roll recognition for the second quarter AND to our students who earned Positive Referrals during the month of January. Lists of recognized students are attached! We are proud of you!
