### 5<sup>th</sup> Grade Proofs of Domicile

As a reminder, as a way to update student records and to ensure attendance in the proper school zones, all 5<sup>th</sup> grade students are required to provide two proofs of domicile to their current school of enrollment. A list of approved proofs is attached. When sending, please indicate if you have sent originals, and copies need to be made. **Proofs should be sent to Matula's main office no later than Tuesday, April 11.**

### Communication

In addition to phone calls, emails and notes home, school staff utilizes several other methods for school to home communication - Thursday folders, grade level newsletters, Dolphins' Cove, automated phone calls and our school website. If you are not receiving information from these sources, please notify the main office so that we can verify your information.

Your child's teacher is your first contact should classroom or academic concerns arise. Teachers will make every effort to respond within 24 hours of receiving your correspondence, but please keep in mind that situations do arise outside of their control. If you do not receive a reply, a follow-up email is appreciated.
