

# Mary H. Matula Elementary School

October 27, 2022

## Dolphins' Cove

### Food and Drink at School

Recently, students have been walking into school in the mornings eating and drinking breakfast items. Students need to finish all breakfast items before they will be permitted to enter the school. They are also welcome to purchase breakfast from the school cafeteria should that work better for your family.

### Gum at School

As a reminder, chewing gum is not allowed at school. Your help in reminding children not to bring chewing gum to school is very much appreciated.

### Relay for Life Brag Tag

The Relay for Life movement is dedicated to helping communities attack cancer. Through funds donated, time given, or awareness raised, our communities are teaming up to make a difference.

Please help support Matula's Relay for Life Team by purchasing a custom brag tag. All proceeds will go to the American Cancer Society. Please complete the attached form and return it with \$1 per tag to your child's teacher by November 11, 2022 in order to get yours. We thank you in advance for your generosity.

### Student Make-Up Work

When students are absent, either due to illness or travel, missed work will be provided to the student upon his return to school. Time will be allowed for the student to complete and submit the missed work.
